

The Crushed Grape is committed to positively impacting our community by providing assistance to local schools, churches, organizations and charities. We are proud to give back to a number of diverse charities and local non-profits whenever possible.

The following Donation Request Policy has been developed to create consistency and fairness to organizations that ask for our support. Please be aware that we attempt to fulfill as many requests as possible, but cannot guarantee that every donation request will be met.

All donation requests must be submitted electronically on "The Crushed Grape Donation Request Form" at least 30 days prior to the event.

Due to the volume of requests we receive, we ask that inquiries regarding the status of your request not be made. All organizations will be notified via email whether requests are accepted or declined.

Instructions: Please fill in every field below. Note that a minimum of 30 days' notice is required for all requests. **To apply for a donation, please follow the instructions below:**
